

Small World and Diorama Community Challenge

Small world play is creating a life scene for children to play. It is imaginative play where children are provided with small beautiful objects with which to play. This type of play is similar to role play but different in that the child creates the small world and transfers their thoughts and feelings onto the objects.

ASCY Professional Resource Library
Tuesday September 19th—Saturday September 23rd

- Create a project with children in your program. Invite, provoke, engage children in planning and constructing, document the process, and contribute to our fall showcase.
- **Please email library@ascy.ca by August 8, 2017 if you would like to participate in the challenge. The portion you exhibit should be 2 ft x 2 ft maximum, plus one poster board.**
